Continuing Business:

1. Update on our cultural diversity discussion and suggestions from the 11/19/19 meeting.
 - a. In an effort to be proactive in addressing cultural awareness/diversity in the school, a statement of guidelines has been created. Mr. Jameson will distribute on October 1st, 2020.
 - b. The faculty received cultural sensitivity information and resources regarding Thanksgiving at the 11/20/19 faculty meeting: “Teaching Thanksgiving in a Socially Responsible Way.”
 - c. The cultural night was originally on the schedule for November 2019, but has been combines with the Meet the Masters night in May. This night is sponsored by our PTA.
 - d. Continued partnership with the PTA will be important to ensure that cultural/diversity awareness is integrated throughout school activities.
 - e. Allyn suggested that a faculty member could be identified as the cultural diversity representative for the school. It could be a role that is funded by the TSSA fund. If there is someone on the PTA responsible for cultural diversity, they could work as partners.
2. Finish and approve the School Safety and Digital Citizenship Plan.
 - a. School Safety Plan
 - i. Number 1 safety concern for school, as determined by the council, is improving social and emotional state of students by addressing cultural diversity and respect with our students, parents, and staff.
 - ii. Action plan
 1. Publishing annual Halloween guidelines that will proactively encourage respectful and appropriate costumes.
 2. Cultural sensitivity training for faculty during faculty meetings.
 3. Implementation of culturally responsible lesson plans and materials.
 4. Letter to parents was sent on 12/3/19 informing them of the increased emphasis on teaching cultural diversity and respect at school.
 5. Implementation of Second Steps social emotional program to address student needs.

6. The school will host a cultural appreciation night in conjunction with the Meet the Masters event in May.
 7. Explore the possibility of having a faculty diversity rep who will work with the PTA diversity representative. Work with responsive services to determine what resources and support is available.
- iii. Other items:
1. Addressing safety concern with the north crosswalk. This will be addressed when we submit our SNAP.
- b. Digital Citizenship
- i. The SCC feels comfortable with information provided by district regarding digital citizenship.
 - ii. School assembly by Netsmartz regarding internet safety and digital citizenship was considered very effective and valuable by faculty. There is a new program by [Digital Respons-ability](#) being implemented on a district level.
 - iii. The school has provided [links](#) regarding internet safety and digital safety to parents through Alta View update emails.
 - iv. Faculty training was provided on 12/6/2019, with additional training scheduled for 1/22/2020. Additionally, the faculty receives monthly emails regarding internet safety and digital citizenship from the schools digital citizenship rep.
 - v. Students will receive instruction via
 1. Digital Citizenship Week Oct 14-16
 2. Teachers use Common Sense Curriculum during this week
 3. [Utah Netsmartz](#) Assembly on Dec 6, 2019
 4. Ed Tech taught lessons in the classroom throughout the year
