

Accessing i-Ready at Home:

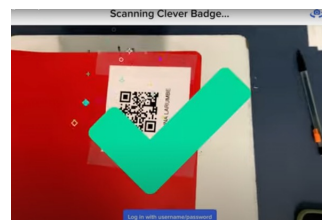

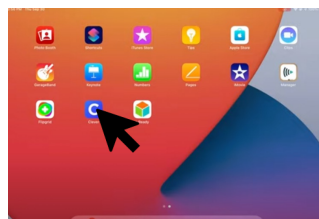

A Step-by-Step Guide

If you have an iPad with a camera:

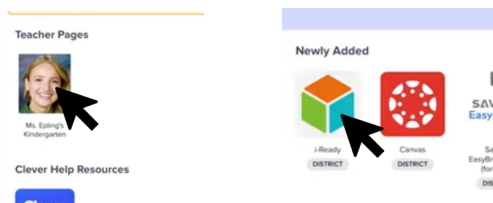

- 1 Download the Clever and i-Ready apps onto your device.

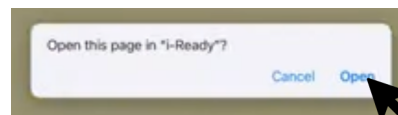

- 2 Open the Clever app and scan the QR code on your child's folder.

- 3 Click your child's teacher page, then click iReady.

- 4 Click "open" to open the iReady app.

- 5 Start learning!

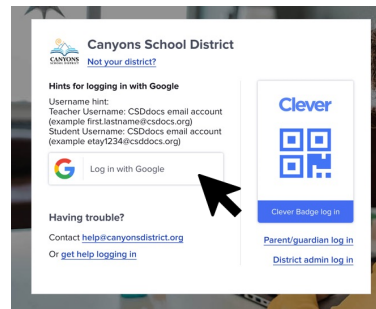

To watch a screen recording of how to use the QR code on your child's folder to access i-Ready, click [here](#).

Accessing i-Ready at Home:

A Step-by-Step Guide

If you have a laptop, device without a camera, or Android tablet/device:

- 1** Before you begin, you will need to know your child's CSD Docs login email and password. Reach out to your child's teacher if you have questions!
- 2** Go to clever.com/in/canyons and click "Log in with Google."

- 3** Type in your username and password and start learning!

For a detailed look at how you can use i-Ready on your Android device, watch [this](#) video. Be aware to use clever.com/in/canyons instead of the link used in this video.
